

INDEPENDENT PLATFORM FOR PASSENGER TRANSPORT

For over 26 years, **Magazine Personenvervoer** has been the leading magazine for passenger transport in The Netherlands and Belgium. Every two months, everyone in The Netherlands and Belgium who is

involved in the public transport, taxi, private coach sector and Smart Mobility gets their background info from this print magazine.

All recent developments in these sectors can be found on the website (www.pvmagazine.nl).

An independent and objective source written by specialists who know passenger transport inside out.

The **Magazine Personenvervoer website** (www.pvmagazine.nl) is part of the Personenvervoer platform. It provides up-to-date info on public transport, the taxi and coach transport sectors plus Smart Mobility. The latest news about passenger transport in

The Netherlands, Belgium and beyond, gathered by experts who are familiar with these different sectors.

Magazine Personenvervoer's newsletters give you a concise summary of the latest developments in public transport, the taxi and coach sectors plus Smart Mobility. Every week in your email box. Our platform provides you with information on current events and gives you background information, neutral and independent.

Find us at: www.pvmagazine.nl

Circulation: 6 issues per year, 4,500 copies per issue.

2019 publication dates:

February, April, June, August, October and December.

Distribution: to subscribers in The Netherlands and Belgium, through trade fairs and controlled circulation to municipal and regional authorities in the field of traffic and transportation.

The magazine is distributed mainly to decision makers: management and staff at various levels in the public transport, taxi and private coach sector; local and regional authorities, car body shops, various suppliers, consultancy firms and individual consultants in the three sectors.

In 2019 Magazine Personenvervoer is event partner of the specialized conference Mobility FFWD, Dag van de Rail and mediapartner of the UITP Summit (Stockholm) and other UITP events plus Busworld Europe (Brussels).
